• For people who could use a hand with balance while walking, our Hugo offset handle cane offers the perfect amount of stability and support
• The ergonomic handle with a cushioned grip helps absorb shocks
• It is ideal for those with arthritis
• NEW cane handle grips to the wall and won't fall
• The 12 push-button height settings ensure this cane can be adjusted to fit you properly
• Built for longevity from ultra-durable lightweight anodized aluminum
• Includes a cane strap with reflective patch for added night time safety
• The flared rubber tip with Ultra-Grip Edge provides superior traction
• Fits most people 56'5
