

Hugo Sidekick Side-Folding Rolling Walker with a Seat

HCPCS:

FIGURE A

- Every hero needs a Sidekick!
- Maneuvers easily around small spaces and weighs only 17 lb
- This unique rollator even stands when folded
- Simply pull on the seat strap to fold compactly for easy storage and transportation
- Sleek, low-profile design and heavy-duty yet ultra-light steel frame construction
- Tool-free assembly is quick and easy
- A built-in seat and large contoured backrest provide a comfortable place to power up whenever you need a rest
- A convenient utility basket offers easy portability for your belongings
- Height adjustable handle bars ensure correct posture, and ergonomic hand grips comfortably position your hands at a natural angle, which enables better brake access and control
- Extra-large 8" front wheels and 6" rear wheels offer reliable stability for more confidence and security when walking indoors or outdoors
- Would benefit those with decreased endurance, compromised balance, severe arthritis or rehabilitating an injury
- Hand brakes lock intuitively when "parked" for safety while sitting
