# Roscoe Dinosaur Nebulizer Carry Bag

HCPCS:

• The Dino Nebulizer Carry Bag provides pediatric patients with a cute and kid-friendly way to transport and store their nebulizer.
• Designed specially to be used with the Dino Nebulizer (NEB-DINO), it features an inviting image of a cartoon dinosaur that makes kids look forward to and less afraid of using their nebulizer.
• Kid-friendly and inviting dinosaur design
• Includes handle on top for easy transport
• Securely zips up at the top
• Constructed of durable nylon material
• For use with NEB-DINO; nebulizer not included and sold separately; set including both bag and nebulizer also available
• Sold individually
