BEDSIDE FALL MAT (72"X24")

HCPCS:

• Meridian Medical Fall Mat
• Item: FM7224
• The Meridian Medical Fall Mat helps reduce the possibility of injuries related to accidental patient falls from their bed.
• The PVC Fall Mat offers a ¾ low profile design with tapered edge that lessens the likelihood of a patient tripping on the perimeter.
• Please note that impact reduction will vary based on the floor surface on which the mat is placed, the weight of the patient and other possible factors.
• To help protect patients from fall out injuries, choose the Meridian Medical Fall Mat.
• PRODUCT SPECIFICATIONS
• PVC Material offers tear resistance durability and is easy to clean and disinfect
• Non-skid bottom helps keep the mat safely in place
• Anti-fatigue properties provide additional comfort for caregivers
• For use when the patient is in the bed
