

Compressor Intake Filter for Sunrise Units, Extended Life

HCPCS:

- The Intake Filter processes air as it enters the oxygen concentrator to provide patients with clean oxygen.
- It provides comfortable therapy, compatible with Sunrise, Sequal Integra, or Nidek Nuvo units.
- Cleans bacteria from air as it passes through the oxygen concentrator, providing patient with clean oxygen
- Should be replaced frequently to keep oxygen concentrator running smoothly and to extend product life
- Designed for use with Sunrise units but can also be used on the Sequal Integra concentrator and Nidek Nuvo units.
- For cleaner air and a quieter oxygen concentrator, purchase the Compressor Intake Filter.
