

Medline Trach Care Kit

HCPCS:

- The Medline Trach Care Kit features everything needed for convenient and efficient infection control during a tracheostomy procedure.
- It includes two vinyl gloves, a moisture-proof drape, four 4" x 4" 4-ply gauze squares, two cotton tip applicators, a pliable cleaning brush, and 4" x 4" 6-ply gauze trach dressing in a 3-compartment tray with a peel-down Tyvek lid.
- Peel-down Tyvek lid securely keeps contents sterile before use
- Gauze squares and trach dressing are soft and absorbent
- All contents secured in a 3-compartment tray
- Quantity: 20/case
- To make the important tracheostomy infection control procedure efficient, purchase the Medline Trach Care Kit.
