

## Christmas Tree Adapter, Swivel Style, 50/pk

HCPCS:

- The Christmas Tree Adapter helps secure tubing to oxygen concentrator and prevent leakage during operation.
- It can be used on multiple concentrators and with a variety of tubing.
- Helps better connect oxygen tubing that may not fit concentrator properly
- Tapered and barbed connector securely holds tubing in place
- Swivel style
- Quantity: 50/pack
- Compatible with multiple concentrators and oxygen tubing
- To securely connect tubing to your oxygen concentrator, purchase the Christmas Tree Adapter.
