• The Folding Quad Cane features a small footprint and folding design, making it ideal for display, storage and transport. Equipped with a four-point base and offset handle, the cane provides added stability and adjusts from 30-39 to accommodate varying user heights. The cane is made of extruded aluminum for added strength, while the contoured handle offers a comfortable grip.
• Folds and disassembles for small footprint and easy storage
• Made of sturdy, extruded aluminum tubing
• Four-point base and offset handle for additional stability and support
• Contoured handle for comfortable grip
• Handle height adjusts with the push of a button from 30 to 39
• Locking ring eliminates rattling and provides added safety
