

ProBasics Deluxe Shower Chair with Padded Arms

HCPCS:

• The ProBasics Shower Chair is designed for individuals who require seating support and stability when bathing or showering.
• The chair features a comfortable contoured textured seat and back that can support patient weights up to 300 pounds.
• Arms and back are easy to remove.
• The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety.
• Tool-free assembly and limited lifetime warranty are standard.
• Aluminum frame is lightweight, durable and corrosion-proof
• Removable padded armrests provide comfort and added security when sitting or standing
• Blow-molded bench and back provide comfort and strength
• Quick tool-free assembly
• Wide-based crutch tips help increase stability
• Two-hole handles in seat provide security when sitting or standing
