Designed for individuals who have difficulty sitting down or standing up from the toilet so they can easily get on and off the toilet. The AquaSense® Raised toilet seat with lid makes it easier to get on and off the toilet by putting the toilet seat 4 higher. Ideal for anyone with mobility issues, this toilet seat is easy to clean and features quick and easy tool-free installation.

- Adding 4" inches of height to your toilet making it easier and safer to sit or stand
- Includes a lid for better hygiene and aesthetic
- Contoured to provide a safe and comfortable elevation
- Made from PE that is both lightweight and durable to support up to 300 lbs
- No Tools Required! Simply fasten the clamps onto the toilet bowl. When not in use easily remove the toilet seat by releasing the clamps
- Fits most standard toilets
- Feel good knowing that plastics parts of this product are made using recycled materials
