• New "U" shape cut-out design enables the shower curtain liner to stay within the bath tub and avoiding water spillage outside onto the bathroom floor
• Reversible to accommodate any bathroom
• Tool-free assembly of back, legs and arm
• Height adjusts in ½" increments with unique "Dual Column" extension legs
• 400 lb weight capacity
• A-frame construction provides stability
• Durable blow-molded plastic bench and backrest
• Pinch-free lever allows for push pins to be depressed without pinching fingers
• Made using recycled materials
