FIGURE D

- Cane base with 3 feet, pivots in any direction providing added security and traction
- Soft grip handle relieves stress and pressure on fingers and wrist
- Newly designed tip is removable without tools, for easy replacement
- Height adjusts for use by most individuals
- 3 point base allow the cane to stand on its own
- Tip flexes and swivels to maintain contact with the ground when the cane is at an angle, providing superior balance
- Conveniently folds for easy storage
