ProBasics Bariatric 2-Button Walker with 5-inch Wheels

HCPCS:

• ProBasics Bariatric Two-Button Release Folding Walkers provide maximum strength and a rugged design, all backed by a limited lifetime warranty.
• Ample height adjustment options coupled with a two-button folding mechanism make ProBasics Folding Walkers easy to use and accommodating to the most demanding patient needs.
• Available with or without 5" wheels and in junior or adult sizes.
• Support patient weights up to 500 pounds.
• Attractive, lightweight aluminum frame
• Adjustable height settings
• Easy-to-use push button folding mechanism provides audible click when locked
• Front cross brace near top of walker allows for full stride
• Each side operates independently to allow easy movement through narrow spaces and greater stability while standing
• Vinyl contoured hand grip for added comfort and long lasting wear
• Rear glide cap allows for walker to slide easily and smoothly over most surfaces (come standard on models with 5" wheels)
