Carex Reusable Bed Pad

HCPCS:

• Carex Bed Pads provide triple layer protection for mattresses, sofas, chairs as well as other seating and resting surfaces.
• The soft upper layers provide a comfortable surface allowing the user to rest undisturbed.
• The impermeable barrier and absorbent middle layers prevent unwanted stains and damage from incontinence and illness while also containing any cleanup.
• The Carex Bed Pads are reusable and machine washable.
• Triple Layer protection keeps surfaces clean and dry, soft upper layers for comfort
• Reusable, Washable
• Latex and Vinyl free
• Retail Packaging
