Digital TENS AA Unit

HCPCS:

• This Digital TENS AA Unit is compact and portable, making it ideal for pain relief and treatments anywhere and everywhere.
• It increases circulation of the blood in the muscle tissue by sending pulses directly into the muscles to relieve pain and treat muscle conditions.
• NOTE: This is a Class II Medical Device and federal law restricts this device to sale by or on the order of a practitioner.
• Rx Required.
• Variable wavelengths, pulse rates and treatment modes and a timer for personalized treatments
• Large print LCD display makes unit easy to use and adjust
• Convenient last-used setting recall
• Comes with color coded lead wires, AA batteries, 4 reusable electrodes, and a carrying case
• 2-year warranty
• For convenient and effective electrode therapy, purchase your Digital TENS AA Unit.
