Roscoe High Density Foam Floor Mat (66" x 24" x 2")

HCPCS:

• Roscoe Medical's line of Accident Prevention products help protect against injury when used properly.
• Our floor mat helps prevent injury to the patient in the event of accidental roll-off from the bed.
• Constructed from high-compression foam, the mat provides a firm support surface to be placed beside the bed to create a safer environment for the at-risk patient.
• Helps reduce the possibility of impact-related injuries in the event of an accidental fall from the bed
• Easy-to-clean vinyl cover
• Made of two-inch high density, high compression polyurethane foam
• Flame retardant meets with California Technical Bulletin #117
• Bi-Fold design for easy storage
• One year warranty
