• The free-standing bariatric trapeze, P750TPZ, is a floor-mounted device and optional accessory to the P750 LTC Bed. This heavy-duty trapeze is intended to support a portion of an individual's weight to aid in repositioning of their body while in bed, or assist in the transfer from bed to a chair.
• Increase resident independence with adjustable handle with strap and 5 positioning options (2" increments).
• Ensure long-term durability with a welded steel frame.
• Fits seamlessly with existing Drive Devilbiss products using a wide, sturdy base designed for most beds.
• Saves time on room setup and storage with a wheeled base for easy transport.
• Weight Capacity: 600lb.
• Warranty: 2 Years, 10 Years Weld
