K4 LT WHEELCHAIR-16X16 W/ELR

HCPCS:

• The ProBasics K4 Lite Wheelchair is a high-strength lightweight extremely versatile wheelchair.
• With an included seat and upholstery extension combined with all of its other unique features that come standard, the ProBasics K4 Lite easily adapts to any patients individual needs.
• It offers superior value and functionality for those looking for a high-performance mobility product at an affordable price.
• 3-Position quick-release axles allow for tool-free removal of rear wheels for fast hemi-height adjustment.
• Comes included with a seat rail and upholstery extension that easily adjusts seat depth from 16" to 18" without any additional upholstery.
• Flip-back padded arm rests are height adjustable from 10" to 14".
• Comfortable and stylish nylon upholstery.
• Polyurethane tires and composite casters for superior performance
• Adjustable height wrap-around back upholstery for maximum comfort.
• Includes tool-free adjustable front riggings.
• Adjustable anti-tippers included.
