Mobility Bags

HCPCS:

• Drive's mobility bags offer functional, versatile and stylish storage for all of your items while on the go. Quickly and easily secure the bag to walkers, rolling walkers, power chairs, wheelchairs, transport chairs and scooters using the dual attachment options. The bag is constructed of lightweight nylon material with double-stitched seams for added durability. The front of the bag has four outer pockets, a side mesh side pocket for water bottles, and a spacious interior with O-ring zipper closure to keep items secure.
• Dual attachment options: back strap attachment with secure clip or adjustable hanging straps
• Securely attaches to wide range of mobility aids
• Spacious interior pocket with zipper closure and key ring
• Four front exterior pockets and key ring zipper for added security of belongings
• Side mesh pocket holds water bottle
• Large, interior zip pocket
• Fully-lined pockets and interior
• Treated with water resistant technology
• Spot clean with wet cloth
