Apex Pill Splitter and Pill Cutter

HCPCS:

- Cut medication doses in half with the Apex Pill Splitter.
- Our pill cutter offers a universal solution for splitting pills of all sizes in smaller quantities.
- The tablet cutter features a unique V-shaped gripper to keep medication in place while cutting.
- Place larger tablets towards the front of the pill smasher and smaller pills towards the middle.
- The double-beveled stainless steel blade stays sharp for easier crushing with less force needed.
- Cuts pills in half for easier consumption.
- Medicine cutters are an excellent medication aid for anyone that struggles to swallow pills.
- Our pill cutter crusher breaks down pills in half with an accurate dosage for safety.
- Cuts pills of all shapes and sizes.
- The plastic pill crusher features a flexible V-shape holder to cut all sizes of tablets.
- Place larger pills towards the end of the tablet splitter and smaller pills towards the middle.
