Upeasy Seat Assist (Standard)

HCPCS:

- This portable and economical lifting seat is perfect for those who need help to stand.
- It activates automatically as the user stands, lifting up to 70% of their weight up to 220 lbs.
- It is fully self-powered and does not require electricity instead using a hydro-pneumatic gas spring.
- The patented LeveLift Technology ensures gentle and safe lift without pushing you forward.
- Weighing just 9 lbs., it has a built-in carry handle and works on most armchairs or sofas.
- The 100% polyester cover is fully washable and the polyurethane foam cushion is easy to care for.
- Provides up to 70% lift assistance for those up to 220 lbs.
- Use in or outside the home on most armchairs or sofas
- Self-powered, uses no electricity or batteries
- Patented LeveLift Technology
