InTENSity Self-Adhesive Electrodes, 2" x 2" White Cloth

HCPCS:

• The InTENSity 2" x 2" square electrodes are made with the highest clinical standards and fit most TENS, EMS, IF, and other electro-stim applications.
• These highly conductive electrodes deliver more current to better distribute across entire pad.
• They are self-adhesive and easy to use, and with premium white cloth and a full-coverage wire connector, InTENSity electrodes are durable and safe for any user.
• Self-adhesive pad for ease of use
• Flexible carbon layer allows for maximum charge delivery and comfort on a variety of application sites
• Durable and comfortable premium white cloth backing
• Durable and reliable full-coverage wire connector
• 4 electrodes/pack
• Can be reused up to 15 times per pack
• Purchase InTENSity Electrodes for effective yet economic electrotherapy.
