

# ProBasics Shower Chair without Back

HCPCS:

• The ProBasics Bath Bench is designed for individuals who require seating support and stability when bathing or showering.
• The bench features a comfortable contoured textured seat that can support patient weights up to 300 pounds.
• The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety.
• Tool-free assembly and limited lifetime warranty are standard
• Aluminum frame is lightweight, durable and corrosion-proof
• Blow-molded bench has a textured surface and is contoured with drainage holes to reduce slipping
• Quick tool-free assembly
• Wide-based crutch tips help increase stability
• Two-hole handles in seat provide security when sitting or standing
• Legs are height adjustable with one-inch snap button adjustments
• HCPCS Code: E0245*
