This AquaSense® Steel Bath Safety Rail provides safety and comfort while getting in and out of the bathtub. Designed to fit a wide variety of tubs, it offers two gripping surfaces. The Bath Safety Rail installs easily and securely without the use of tools and is manufactured from rust-resistant steel. It features an easy to clean, white vinyl coated surface, and non-marring rubber pads on all contact points.

- Two independent gripping surfaces allow this safety rail to adapt to a wide variety of tubs.
- Rust-resistant steel construction offers solid support up to 300 lbs.
- Non-marring rubber pads on all contact points for a solid yet bathtub-friendly grip.
- Fits bathtub walls between 3" and 7" wide
- Installs securely without the use of tools.
