

ProBasics Bariatric Shower Chair with Back,

HCPCS:

- The ProBasics Bariatric Shower Chair is designed for individuals who require seating support when bathing or showering.
- The chair features a special cross brace design with a heavy duty blow-molded back and textured seat that can support patient weights up to 550 pounds.
- The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety.
- Tool-free assembly and limited lifetime warranty are standard.
- Comfortable, blow-molded seat with integrated handles for additional support
- Textured contoured surface with drainage holes to reduce slipping and increase comfort
- Dual cross brace design reinforced with aircraft-style rivets for extra stability
- High-strength aluminum frame to prevent corrosion
- Legs are height adjustable in one-inch increments with heavy duty height adjustment pins to accommodate larger individuals
- Wide-based tips help increase stability
- Backrest is removable
