

AquaSense Bath Mat, Contoured with Temperature Indicator

HCPCS:

FIGURE A

• Built-in temperature indicator with 9 temperature levels, indicate if bath water is too cold, within your comfort zone or too hot! Accuracy of the indicator is within 1 degree of the specified zone
• Gentle, low profile, textured surface that allows you to be comfortable standing or sitting
• Innovative design accommodates specialized bath seating without compromising stability
• Contoured ends allow for better tub coverage without blocking the drain
• Over 300 suction cups provide an active, secure grip that conforms to your tub, making it safer for everyone
