ProBasics Transfer Bench

HCPCS:

• The ProBasics Transfer Bench helps make transfers in and out of the bathtub safer and more comfortable.
• Constructed with an aluminum anodized frame and blow-molded bench, it features an adjustable seat back for right or left handed transfers.
• The angled legs have one-inch, easy-snap button adjustments and wide-based, non-skid feet for added sturdiness and safety.
• Tool-free assembly and limited lifetime warranty are standard.
• Aluminum frame is lightweight, sturdy and corrosion-proof
• Durable blow-molded bench and back have a textured surface and are contoured with drainage holes to reduce slipping
• Wide-based tips and suction cups add sturdiness and prevent slipping
• Legs have one-inch easy snap-button adjustments
• Converts easily for left or right hand transfers
• Quick tool-free assembly
• HCPCS Code: E0247*
