Small Splash Guards, 6CA (BSFC, BTH FLCOM, BTH COM, BTH DAC)

HCPCS:

• These small replacement splash guards prevent splashes from landing on the patient or surrounding items when using commodes.
• They are compatible with BTH-FLCOM, BTH-COM, and BTH-DAC and are best used when the commode is placed over the toilet.
• Prevents splash-back when using commode to keep messes minimal
• Easy to install; compatible with BTH-FLCOM, BTH-COM, and BTH-DAC
• Constructed of easy-to-clean plastic
• Splash guard only; does not include commode, seat, or bucket
• Color: Gray
• Quantity: 6/case
