

ProBasics Bariatric Three in One Commode, 450lb Weight Capacity

HCPCS:

• ProBasics Bariatric Commode has a wider seat and steel frame to support a higher weight capacity and is ideal for larger patients.
• It comes complete with commode bucket, seat and lid.
• The versatile design includes a rectangular pan and pan holder, armrests for added comfort, angled legs for stability and non-marring rubber tips.
• Can function as a free-standing commode, a toilet safety frame (with bucket removed) or as a raised toilet seat with arms.
• Durable, reinforced steel-welded frame is attractive, strong and easy-to-clean
• Tool-free assembly, includes plastic snap on seat with lid
• Plastic arms provide added comfort
• Seat height readily adjusts in one-inch increments
• Color: gray frame, gray accessories
• HCPCS Code: E0168
