

Hugo QuadPod Ultra-Stable Cane Tip

HCPCS:

- The new & innovative Hugo QuadPod ultra stable cane tip is 54% lighter and 80% more compact than a large base quad cane
- It's unique design re-centers itself for maximum stability and allows your cane to stand independently so you can go anywhere you want to go
- Fits most aluminum canes with a tubing diameter of 3/4 (1.9 cm)
- Includes a metal insert for durability
- Does not fit folding canes
