ASCENT ROLLATOR, BLACK

HCPCS:

• Lightweight Aluminum Frame for ease of use and longevity.
• Ergonomic handles with hidden brake cables; adjustable height in one-inch increments from 37.5" - 42.5" with an audible click as well as visual push button height settings.
• New and improved Dual Sided Aluminum Front Forks for increased stability.
• 18 x 10 thickly padded seat with a handle to quickly and easily fold and unfold side-to-side (rather than front-to back), allowing the unit to maneuver through narrow doorways.
• Dual Sided, vented aluminum front forks with 10-inch front and 8-inch rear heavy-duty wheels with black non-marring, soft-grip tires to traverse almost any terrain.
• Top to Bottom hidden braking system is fully adjustable, durable and stylish.
• WARNING: This product can expose you to chemicals including Styrene, which is known to the State of California to cause cancer.
