

Carex Soft Grip Derby Cane - Pink

HCPCS:

• Featuring innovative technology that decreases shock and reduces fatigue in the hand and upper body, the Carex Designer Soft Grip Ergonomic Cane is adaptable for right and left-handed users.
• This ergonomic and anti-slip cane can be adjusted for height, and the handle is manufactured without natural rubber latex.
• Decreases shock and hand fatigue.
• The soft grip derby handle's design reduces the impact of walking to add comfort and support.
• Its ergonomic handle is shaped to your hand to add a soft yet firm grip.
• Height adjustable with the push of a button.
• This mobility aid's height can be adjusted from 31" to 40" to suit heights of 5'2" to 6'4".
• Anti-slip walking cane.
• This derby walking cane comes with an anti-slip cane tip that easily grips onto any walking surface.
• Lightweight and durable.
• Made out of lightweight and durable aluminum metal to be used continuously without bending or warping.
