

# ProBasics Aluminum Underarm Crutches (Tall, 5'10" to 6'6")

HCPCS:

- ProBasics Aluminum Crutches are sturdy, lightweight anodized aluminum crutches with push-button height adjustment.
- The extra thick underarm pads and grips offer comfort for use.
- The double extruded center tube is a solid one piece design providing additional strength to weight-bearing area.
- Non-skid rubber tips provide excellent traction and absorb shock.
- Easy wing nut adjustments for hand grips.
- Available in youth, adult or tall sizes to accommodate all individuals.
- Supports patient weights up to 350 pounds.
- Made of lightweight, anodized aluminum.
- Reinforced one-piece center tube provides additional strength to weight-bearing area.
- Push-button adjustment makes changing height easy with height adjustment in 1-inch increments.
- Handgrip position readily adjusts with wing nuts
