

# Deluxe, Trigger Release Folding Walker with 5" Wheels

HCPCS: E0143,E0143

FIGURE A

FIGURE B

• The Deluxe Trigger Release Folding Walker has a trigger release feature that allows the user to close the walker without removing their hands from the handle, making it ideal for individuals with limited finger dexterity. The lightweight aluminum frame ensures maximum strength and durability. The 5" wheels allow for navigation on many types of terrain, while the contoured hand grip and adjustable height make the walker comfortable to use.
• Durable, Composite Trigger Release resists cracking and breaking
• Sturdy aluminum construction ensures maximum strength while remaining lightweight
• Trigger release feature for opening and closing allows users to close the walker without removing their hands from the handle and is ideal for individuals with limited finger dexterity
• Durable, composite trigger release can be reached with hands of all sizes and resists cracking and breaking, ensuring safety and durability
• Ribbed, contoured handgrips relieve pressure on users hands
• Using the marked peg holes, easily adjust the height in 1'" increments for a customized fit
• 5" wheels are ideal for maneuvering both indoors and outdoors
• Rear glide cap allows for walker to slide easily and smoothly over most surfaces
• Folds for easy transport and the sides are detachable for storing in tight spaces
• Quick and tool-free assembly
