

# ProBasics K4 Transformer Wheelchair with 18" x 16" Seat,

HCPCS:

• The perfect upgrade from a standard K0004 wheelchair, the ProBasics TRANSFORMER is a dual purpose, high strength lightweight wheelchair that quickly transforms from a self-propelled wheelchair to a compact transport chair with 8" wheels all around.
• Great as a transitional chair for accompanied excursions while retaining self-propel capabilities.
• Also allows the slimming down of the chair to navigate narrow doorways.
• Lightweight aluminum frame
• 8-inch full swivel front casters mounted on aluminum forks
• 24-inch "quick release" rear wheels with composite handrims
• Bolted on 8-inch transport chair rear wheels
• Self-locking paddle release, flip-back padded desk length arms
• Lightweight black, woven nylon upholstery
• Fold down back with easy release paddles
• Complete with lightweight aluminum wheel locks for both 24-inch and 8-inch rear wheel modes
