Viper Plus GT Wheelchair with Universal Armrests

HCPCS:

• The new Viper Plus GT with Universal Armrests allows the user to easily convert the armrests into desk arm, half arm, and full arm with the push of a button. The armrests also adjust to eight individual heights in ½ increments for complete customization.
• Adjustable height and length, flip-back, removable, padded arms
• Built-in seat rail extensions and extendable upholstery easily adjusts seat depth from 16" to 18"
• All-Aluminum frame
• Dual Axle allows for multiple seat-to-floor height positions
• Over-center cross brace eliminates need for seat guides Works with seating and positioning accessories
• Adjustable angle back easily adjusts from 5° 20°
• Adjustable height back adjusts from 17" 19" in 1" increments, adaptable for individual patient needs
• Durable, heavy-gauge flame-retardant nylon upholstery with hook and loop fastener flaps
• Quick release, 24" composite Mag-style wheels are lightweight and maintenance free
• Adjustable angle caster forks have three height adjustments and angle adjustability
• Tool-free adjustable swing-away footrests also feature easy-to-access release handles
• Urethane rear tires and casters offer superior performance, smoother ride and are lightweight
• Adjustable anti-tipper with flip-up wheels Never needs to be removed
• Comes with push-to-lock wheel locks
