TheraMED Professional Cervical Foam-Filled Terry Cover (9" x 26")

HCPCS:

• The TheraMED Professional Cervical All-Terry Cover insulates heat to provide comfort and protect TheraMED Moist Heat Pack users from overexposure.
• It is designed with hook and loop closures to keep hot pack secure and prevent unwrapping or slipping.
• Constructed with a polyurethane foam layer between two layers of comfortable terry for optimum insulation; also available with only terry (HPC0926-TC)
• Hook and loop closures keep hot pack secure and prevent unwrapping or slipping
• Machine washable
• 9" x 26" Cervical size; available in a variety of sizes
• Ideal for both high-volume clinical use or at-home therapy
• One-year warranty
