PAINCAKES LARGE, RED

HCPCS:

• PAINCAKES®, have been designed and tested by athletes to ensure effectiveness, reusability, and stickiness.
• These flexible cold packs can be used anywhere to treat various injuries and conditions, relieving pain, soreness, and inflammation.
• Our sports cold packs help you recover without being stuck in one place.
• They are convenient to use and can be reused.
• All you need to do is replace the cover and return it to the freezer afterward.
• The gel inside the pack remains flexible even when frozen and can conform to the target area for better pain relief.
• This feature allows for a closer treatment of the affected area.
• Our refreezable cold packs utilize our proprietary "stick and stay" technology, allowing them to be reused up to 100 times.
• These cost-effective cold packs are approved by the FSA.
