Meridian Optimum Comfort Gel Cushion (22" x 18" x 3")

HCPCS:

• The Meridian Optimum Comfort Gel Cushion provides additional comfort and pressure relief to patients spending long periods of time in their wheelchair.
• It features both a channeled gel bladder and a foam base for optimum relief over the entire cushion area.
• Unique channeled gel bladder prevents gel migration in high-pressure areas
• Gel channels provide relief over the entire cushion area to prevent pressure sores
• Foam base provides additional support and comfort
• Inner foam has a liner to protect the integrity of the foam
• High-end cover with straps to attach to wheelchair
• Weight bearing: 425 lbs
• Size: 22" x 18" x 3"
• Purchase your Meridian Optimum Comfort Gel Cushion for added comfort and pressure relief on your wheelchair seat.
