

Roscoe Frog Nebulizer Carry Bag

HCPCS:

- The Frog Nebulizer Carry Bag provides pediatric patients with a cute and kid-friendly way to transport and store their nebulizer.
- Designed specially to be used with the Frog Nebulizer (#50000), it features an inviting image of a cartoon frog that makes kids look forward to and less afraid of using their nebulizer.
- Kid-friendly and inviting frog design
- Includes handle on top for easy transport
- Securely zips up at the top
- Constructed of durable nylon material
- For use with #50000; nebulizer not included and sold separately; set including both bag and nebulizer also available
- Sold individually
