

Sleepnet Ascend Nasal Mask System with EZ Fit Headgear

HCPCS:

• Sleepnet Ascend Nasal Mask System with EZFit Headgear - includes small, medium and large cushion for the perfect fit.
• Sleepnet?s Ascend CPAP Nasal Mask Series features advanced cushion technology with the replaceable AIR gel cushion.
• For added convenience, patients can replace the cushion without having to replace the whole mask.
• The patented AIR gel provides maximum comfort and minimum weight helping to reduce pressure points and skin irritation for better patient compliance.
• The flexible spacebar has a unique bendable design that provides the patient with superior stability without contacting the skin.
