

3 Point Chin Strap

HCPCS:

• The Roscoe 3-Point Chin Strap comfortably keeps CPAP users' mouths from opening at night to ensure continual oxygen therapy and preventing air loss.
• Its 3-point design stretches from the top of the head to the back of the neck and to the chin, leaving open space for the ear while effectively keeping the mouth closed.
• 3-point design adds comfort for user while ensuring continual oxygen
• Adjustable 2-inch extension included to find best fit
• Ruby red
• Comparable to Tiara/Cardinal #TMS-09M
• Sold individually
• For a comfortable way to ensure continual oxygen therapy for patients throughout the night, purchase the Roscoe 3-Point Chin Strap.
