DreamEasy Full Face Seal, Large

HCPCS:

• This is the large-sized replacement seal for the Roscoe DreamEasy Full Face Mask.
• It is lightweight and comfortable for all users, with a full-face design that is ideal for patients whose therapy is compromised by mouth breathing.
• Ergonomic design seals around facial contours to improve overall compliance and minimize air leaks
• Made with high-quality medical liquid silicone
• Completely odorless and latex-free
• Size large; also available in small and medium
• Compatible with the Roscoe DreamEasy Full Face Mask; not for use with other CPAP masks
• Sold individually
