

## Suction Kit, compatible with DeVilbiss 7305D and 7305P

HCPCS:

- This Compass Health Brands assembled Suction Kit is compatible with the DeVilbiss Homecare Suction Unit (7305D) and the DeVilbiss Portable Suction Unit (7305P).
- Users can replace all necessary parts in their device conveniently, as it includes a replacement elbow, bacteria filter, disposable 800ml suction canister, 6' tubing and 4" tubing.
- Each item in the kit can also be purchased separately if desired:
  - Elbow - #7305D-023
  - Bacteria Filter - #ILB-ROS
  - Suction Canister - #1160B-1
  - 6' Tubing - #55N56A
  - 4" Tubing - #SUC4-1
- Components should be removed and replaced regularly to keep suction aspirator unit performing optimally.
